**BALLET** Take the leap! Whether you are a seasoned ballet dancer or wanting to take that first step, our Ballet classes offer something for dancers of all levels. Ballet teaches skill, grace, poise, self-discipline and self-confidence. Through classical ballet technique, you will develop flexibility, strength, and coordination.

**BALLROOM/LATIN SOCIAL** Learn specific ballroom choreography for events such as weddings, Quinceañeras, Bar/Bat Mitzvahs, Sweet Sixteens and more. It is also fitting for those that simply want to learn or those that dream of competing one day.

**COMBO CLASSES** Got energy? In Pre-Ballet/Tap and Pre-Ballet/Jazz, your child will explore rhythm, tempo, and musicality. If your child has a lot of energy and a short attention span, this class is perfect for you!

**CONTEMPORARY** Explore jazz, modern, lyrical, and ballet in a creative way. If you're a dancer who likes to incorporate a myriad of styles while learning new choreography, our Contemporary class is for you. We focus on technique basics and artistic expression.

**HIP HOP** Bust a move! We offer classes for kids, teens and adults including Break'N, Hip Hop, Hip Hop Fusion, and Pop N' Lock. Break'N incorporates acrobatics and Pop N' Lock is all about isolating movements. Hip Hop Fusion incorporates a blend of styles including contemporary and jazz while Hip Hop is a choreography-based class.

**JAZZ** Challenge yourself! Students will increase their coordination, balance, and rhythm. This high-energy class focuses on traditional jazz technique and choreography. Grow as a performer and master stage-presence.

**LYRICAL** Express yourself in our lyrical class. This class blends classical ballet, jazz, and contemporary dance techniques. This artistic dance form challenges students to use movement and expression to interpret music.

**MULTICULTURAL CLASSES** Immerse yourself in Spanish culture in a fun Flamenco class, learn the subtle and enchanting art of Belly Dance or shake it up in our vibrant, energetic Bollywood.

**TAP** Tap away! This class lets you be both musician and dancer. While learning classic tap technique, you will also develop an increased sense of rhythm.

**TINY DANCERS** Need a break? Your tiny tots will engage in playful, imaginative story-based movement that encourages a love and appreciation of pre-ballet technique, coordination, and musicality.

**POP-UP CLASSES** Stay tuned to try out one of our pop-up classes! Don't see your style of dance on the schedule? Let us know and we will see if we can add a class for you!
