

# IGFA FISHING SUMMER CAMP

JUNE 11 - AUGUST 9

The IGFA is offering week-long summer camp adventures for boys and girls ages 7 - 12. Campers will learn basic fishing techniques, conservation, marine biology, jig tying, and participate in fun fishing games and activities. Field trips will take campers to fresh and saltwater locations, fishing from the shore, on piers, and on charter boats.

Learn and experience even more during our Advanced Angling week designed for ages 10-14.
